I'm love with your selfishness

Intelligent and good-looking, he's popular with girls.
Good at sports and school work, the teachers favour him.
Someone this perfect, should be disliked by his classmates,
but he's well-liked by everyone.
If he has a flaw...

I have no brains, no discipline, and can't do sports. All I have are looks.
DAIJUU'S THE ONE WHO'S CRAZY ABOUT ME.
SO WHY AM I TO BLAME?
KAN!
It would be that he has a male lover...
Lover
IS THAT MY FAULT?
KAN!
YOU'RE SINGLE NOW, RIGHT? HOW ABOUT DATING ME?
I'VE ALREADY TOLD YOU I'M NOT INTERESTED!
WEREN'T YOU ORIGINALLY INTERESTED IN DAIJUU?
I THOUGHT, IF I DATED YOU, I MIGHT JUST GET TO HAVE SEX WITH DAIJUU-KUN TOO SOME DAY ♡
hehe
OH. HE REJECTED ME ALREADY

DROP
The two of you are close, so...

It's all Panjuu's fault... My existence seems increasingly meaningless...

WHEN YOU'VE GOT LONG, FLUFFY HAIR AND YOU'RE WEARING A SAILOR UNIFORM, YOU'RE THE GIRL!
YOU'RE SUCH AN IDIOT!
SO WHAT THE HELL WAS THAT?!
BANG

I can't remember why I decided to include a sailor uniform. I wonder if it was because I thought that a cute scene would be really mean. Be that as it may, the reason why I drew this omake was because I thought that the boys could switch once they grew up a little bit. If they have sex now, Soramoto will really become a man in more ways than one.

It must be pretty obvious by now that I love white briefs on boys. I confess! More than food and movies, I love white briefs! Which reminds me- I just wrote somewhere that I really want to draw smaller kids being all lovey dovey one day, and now I did.

It also came to me while I was cleaning up my art for printing that in my rough sketches the pairing was actually the other way around. It was Soramoto x Hoshino. I can't for the life of me remember when I decided to reverse it, but I guess who's on top doesn't matter anymore.

Got it. My sister's got a friend over, so I would've had to give today a pass too. I might not be able to send you other messages today, so good night.

And suddenly it's time for the special thanks

My Editor Myoshi-san Saitou-san

Super background-maker *Doukyonin TN: The word means someone who's living with the family

Super toner-shaker Mucchi and Maiko.

And you!

Yikes. Did I really draw something like this? But I gotta say that a Kansaikun-spanking uke who's also a huge meanie does have potential. This was a story where I didn't really know where I was going with Kan's character. And besides, I only had 24 pages, so I couldn't really establish why Kan was so mean. In the smoke hell I wanted to explore Douyu taking advantage of Kan's jealousy.

I really loved working on this series! At first Moyo was supposed to be this tough cool same, but he ended up obsessed with Bemugase's butt - what's more, I was really shocked when people kept telling me that Moyo was totally slowly turning into an uke. That was so weird! I swear, I never meant for that to happen!

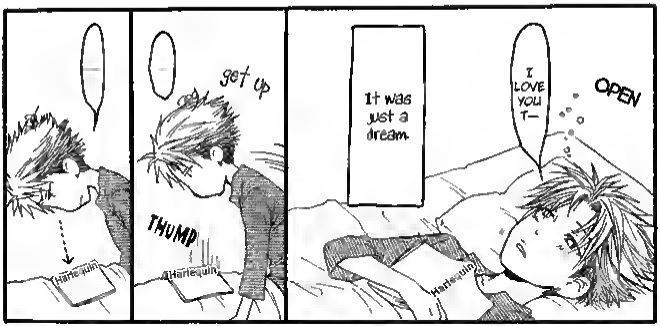
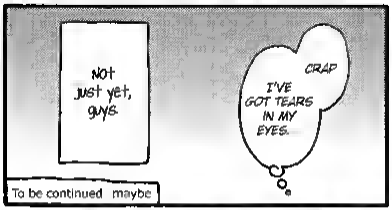
YOU'RE WAY TOO SLOW REALLY





Well then, this is the last page of the book, but I can't promise that it's the end for this couple. If at all possible, I'd love to draw a story where it's clear that Nemugasa can't live without Maya anymore. Maybe one day I've also published doujinshi of this couple, so if you bump into those somewhere please feel free to read them.

Man, I'm really going to have to say goodbye soon... there weren't that many pages of extra drawings this time around but I'm happy if you enjoyed these at least a little. I also can't help but feel that while I set out to make a deep book I ended up with anything but!

I'd love to hear your opinions and comments. See you!

Today, after I'd finished the fourth draft of the cover illustration for this book, the person I live with pointed out that Nemugasa looks about twelve years old. She was right, but at that point it was too late. As this is my first tankoubon in a while with a focus on modern times, I went all out with the cover: we've got 1) a glimpse of undies, 2) condoms and 3) smutty books. When I faxed the drawing to my editor M-san, she went all "But this isn't just a glimpse, you can see his undies really well."

I've got so many fond memories of this book from even before it got published.
